---

Passionate and creative programmer, excited about building and designing new and innovative projects that incorporate ideas gained from experience as an inspiring and energetic musician and educator. Programming experience in Java, C#, Python, HTML, CSS, JavaScript, and R, using tools like Unity, and GitHub.

---

## Projects

### Multi-Dimensional Tic-Tac-Toe, *Solo Project*

Fall 2022

- Tools Used: Unity, C#, Git
- Created a twist on the game of Tic-Tac-Toe that makes the classic game more engaging to play and more difficult to win.
- Programmed a 3D gamemode, and a multi-dimensional gamemode that requires players to win a flat game of Tic-Tac-Toe in order to win a single cube of a 3D game, while also accounting for an “override” mechanic.

### Personal Website, *Solo Project*

Fall 2022

- Tools Used: HTML, CSS, JavaScript, Git
  - Built a website from scratch to serve as a digital resume, and a place to host other programming projects.
  - Created a sliding menu bar with moving elements to improve flow and ease of navigation.
- 

## Work Experience

### **Computer Science Teaching Assistant**, *Pacific Lutheran University*

Sep 2022 - Present

- Assist students during computer science lab times, answer questions, and act as a secondary resource to the Professor. Correct programming labs and homework assignments, checking for accuracy, original work, and code efficiency.

### **Library Building Monitor**, *Pacific Lutheran University*

Sep 2022 - Present

- Provide facility support to ensure a safe environment for work, research, and study for staff, students, faculty and patrons.

### **Head Counselor**, *Sitka Fine Arts Camp*

Summer 2022, Summer 2021

- Act as a resource for counseling staff to offer guidance, assistance, and advice. Communicate with parents on a regular basis. Provide supervision of students during meals and in dormitories. Organize recreational activities for students each day. Assist teachers in running class and instructing students.

### **Data Entry Clerk**, *SEARHC*

Summer 2020

- Efficiently and accurately entered patient chart data for COVID-19 tests and vaccines. Logged daily test usage for multiple organizations receiving COVID-19 tests through SEARHC. Used Cerner Electronic Health Record, Copia Lab Software, and Smartsheets.
- 

## Education

### **Bachelor of Arts, Computer Science**

*Expected Graduation December 2024*

Pacific Lutheran University, GPA: 3.74, Deans List: Sep 2019-Present

*Intro to Computer Science, Data Structures, Artificial Intelligence*

### **Bachelor of Music, Music Education**

*Expected Graduation December 2024*

Pacific Lutheran University, GPA: 3.74, Deans List: Sep 2019-Present

*Psychology for Teaching, Foundations of Learning, Orchestra Repertoire/Rehearsal*
